HOLGATE NURSERY NEWS

NEWSLETTER

Happy Mother's Day!

We hope that you have all had a wonderful weekend together as families. Mother's day for us is an important day that allows us the opportunity to take time to think about, and enjoy, those ladies in our lives who guide and encourage us to always make the best choices in everyday life. We would like to take this opportunity for continuing to support your child's education and early learning. You should feel proud of yourselves as we have a group of wonderful children in Nursery!

We hope that you enjoyed our short Mother's Day assembly on Friday and will ensure that the video is on the school's website as soon as possible. A special message to all the men in the lives of our children - We haven't forgotten you, your special event will come in June along with Father's Day.

Parents' Evening

This week is our special parents' evening week. We are really looking forward to seeing you and those children who were with us in the Autumn term and will have their learning journeys out ready to share with you. Please enjoy looking at your child's books as they are very proud of their work and achievements.

We will ensure that there are some achievement apples out during parents' evening along with some pens. Please take some time to fill in as many apples as you like, to share with us your child's success in learning at home. Please hand these to your child's key person when you come in for your appointment. We look forward to sharing these together during circle time on Tuesday (Leopards and Monkeys) and Thursday (Tigers).

Forest Schools Session - Friday 31st March

A reminder that this coming Friday is our parents at Forest Schools session. If you would like to join us please send back the reply slip sent out 2 weeks ago or let your child's key person know. We will be in the Forest so please remember your wellies!

Planting Time!

Thank you to those families who have donated plants to brighten up our Nursery outdoor area! If you would like to donate any Spring plants to brighten up our outdoor area then they would be greatly appreciated. Thank you in advance! :)

50p donations

We continue to ask for donations of 50p per week to go into the Nursery treasure chest for materials such as flour, food colouring and baking ingredients. We ask that donations are sent in with the children during the week or handed to the Nursery adult on the door at the end of each session. Thank you in advance for any donations.
