Urgent Please Read **Notice of a School Closure – Holgate Primary School and Nursery**

Dear Parents / Carers,

Unfortunately, due to a fire in school which started at the end of the day on Friday 26th May we are currently in the process of clearing up the school building. Please be reassured that the sprinkler system that extinguished the fire quickly did a great job of this and saved our building, but this has subsequently caused extensive water damage.

The Local Authority and Risk Insurance Group are currently supporting us in assisting the required drying out and restoration process but despite their best efforts the decision has had to be taken today that on the grounds of Health and Safety the building will have to remain closed to all pupils next week (5th – 9th June inclusive).

We are endeavouring to move the process as quickly as we can to ensure the least learning time is lost for all our pupils and we apologise for the inconvenience this may cause to you.

As next week progresses we will keep you informed about potential re-opening dates for pupils via our text alert Parentmail System that many of you are already registered with and also on the homepage of our website.

Please find this at www.holgateprimary.org

We will also keep you informed via BBC Radio Nottingham on DAB **Radio**, 103.8FM and 95.5FM and this information should be published on their website too where a note of any school closures are provided.

Please find this at <http://www.bbc.co.uk/nottingham>

Many thanks for your support during what is a difficult time for all concerned.

Yours sincerely,

Emma Severn
Head of School

Nicola Davies
Executive Headteacher

Colin Lumbis
Chair of Governors
