HOLGATE HEADLINES

Autumn Edition 2

Take 5

We've been 'Taking Five' at Holgate Primary and Nursery School. Take Five is a safe, universal resilience building skill set based on breathing, grounding and awareness. Kathy from Each Amazing Breath has supported our school in delivering this across KS1 and KS2. Children have said 'It's very good, it makes me calm', 'I'm safe and secure and relaxed when I do Take 5' and 'I'm happier and feel calmer after Take 5'. Soon, we'll be choosing some Take 5 Ambassadors to take a lead with Take 5 at Holgate Primary.

Miss Roe & Mrs Harvey

Please be reminded that you should not be using the staff and visitors car park. Please either use the drop off zone to drop your child off or park away from school and walk the short distance to the playground. Please note the drop off zone is NOT for parking, so please ensure that you park considerably towards our neighbours on High Leys Road, Annie's Close and Fox Meadow.

A Peek at our Week in 3IR!

We have all been working extremely hard in 3IR this week and have settled really well into Key Stage Two. In our English lessons, we have been studying the BFG and are working up to writing a character description. We have also been learning all about determiners, adverbs and when to use a or an before a noun. In Maths, we are currently focusing on place value and have really enjoyed choosing our own activities during the chilli challenge lessons. 3IR are really enjoying participating in 'Take Five' after lunch times. This is great for helping us get focused for our afternoon lessons by calming down through breathing activities. Spencer commented "I really like Take Five, it helps the class be nice and quiet before we learn." Some of us have received our first reading raffle ticket – well done! Remember that you need to read three times a week with an adult and record it in your diary to get your ticket. Lots of children have also gained their first Super Sticker reward. Well done 3IR. Miss. Roe :)
