### World School Milk Day - 27.9.17

This week on Wednesday the children in Nursery all enjoyed celebrating World School Milk Day. They had lots of fun learning about where milk comes from and how it helps our teeth and bones to grow strong. We made lovely cow masks and joined F2 in the hall and we made up a silly dance to a "Moo Moo" song to enter into a competition with the British Dairy Council.

We all enjoyed some delicious school milk and some children even made milkshakes to try and had lots of fun watching the machine "whizz up" our bananas. There will be a press release all about our special celebration day. We will let you know more about how we do in the competition and where in the press our entry will be! Please ask your child all about Cool Milk!

### Polite Reminder

Please can we remind parents that Nursery session in the morning begins at 8.40am prompt each morning and our gates are always closed by 8.45am. Please can you ensure that your child arrives on time to start the Nursery session.

### 50p donations

We continue to ask for donations of 50p per week to go into the Nursery treasure chest for materials such as flour, food colouring and baking ingredients. We ask that donations are sent in with the children during the week or handed to the Nursery adult on the door at the end of each session. Thank you in advance for any donations.
