The Tiger who came to Diwali celebration!

As we shared last week the children in Nursery have been learning all about Diwali this week and have held a Diwali party that they have invited the tiger to attend. It was lots of fun and we have found out all about the festival of lights and how important this celebration is to some people in our community. We ended our Diwali celebrations with a party on Wednesday during which we danced to Indian music and tried some Indian food. It was lots of fun celebrating with the F2 children.

Science Theme Day

On Thursday the children in EYFS celebrated a Science theme day during which they did lots of learning about how they change as they grow. They were keen to learn about babies and how they have changed since they were born. We had lots of fun looking after the babies in our nursery home corner and talking about how we are all different but how that is ok. We hope that your children are keen to share this learning with you at home.

Achievement Apples

Thank you so much to all parents and carers who have returned achievement apples to Nursery. It has been so lovely to hear about your child's achievements at home and to share these with our key person groups. Please keep filling apples in and letting us know about your child's learning at home. We love to hear about their progress and will ensure that these apples are put safely into your child's learning journey. You will get to have a look at these at parents evening - details to follow in Autumn 2.

Have a fantastic half term break and we look forward to seeing you on Monday 30th of October for the fun of Autumn 2! Miss Arnold and the Nursery team :)

50p donations

We continue to ask for donations of 50p per week to go into the Nursery treasure chest for materials such as flour, food colouring and baking ingredients. We ask that donations are sent in with the children during the week or handed to the Nursery adult on the door at the end of each session. Thank you in advance for any donations.
