HOLGATE NURSERY NEWS

NEWSLETTER

On the Farm

Thank you to those families who have completed some creative homework. It is up on display outside Nursery and looking lovely. You will be able to see your child's creations when you visit on Parents Evenings later this half term. If you have not yet sent in your child's creative homework please feel free to send in over the coming weeks to add to our display!

Road Safety Week

We have our road safety week coming up on November 20th. During this week the children in Nursery will be learning all about being safe on the roads and the importance of stopping, looking both ways and listening out for traffic when crossing the road. We will be going out onto the service road to practice safe road crossing. Please share any of your child's comments or road safety awareness on an Achievement Apple (please see the nursery team if you need any more apples). These will make wonderful contributions to their learning journeys.

Christmas Performance Dates

There will be a letter coming out early next week with information about Christmas performance dates/tickets and EYFS Christmas dates but we thought you might like some dates to add to your calendars ready:

50p donations

We continue to ask for donations of 50p per week to go into the Nursery treasure chest for materials such as flour, food colouring and baking ingredients. We ask that donations are sent in with the children during the week or handed to the Nursery adult on the door at the end of each session. Thank you in advance for any donations.
